Little Polar Bear's Big North Pole Adventure !!!

Ages 3-6

Little Polar Bear
and the Great Bear

PC/MAC CD-ROM

emme

An original adventure based on Hans de Beer's Little Polar Bear books

Discover the tender, poetic world of Lars the little polar bear in this charming, intelligent adventure.

One night in the North Pole, Papa Bear showed Lars the constellation of the Great Bear.

This left Lars confused. Why would a constellation have such a name ?

In order to know the Great Bear's story, your child will go on a rich and lively adventure requiring imagination, skill and logic !

Installing your CD

PC SETUP

1 - Insert the CD-ROM in the drive.
2 - Click Setup in the window that appears and follow the instructions that appear on your screen.

If no window appears (autorun may be deactivated), follow one of the two procedures below:

1 - Insert the CD-ROM in the drive.
2 - Double click on *My Computer* (the icon that is usually located in the upper left-hand corner of your screen).
3 - Double click on the icon that corresponds to your CD-ROM (usually D:) in the window that appears.
4 - Click *Setup* in the window that appears and follow the instructions that appear on your screen.

or

1 - Insert the CD-ROM in the drive.
2 - In the Windows® tool bar which is usually located at the bottom of the screen, click *Start* and then *Run* in the menu that appears.
3 - Type *D:\install.exe* on the command line (if "D" does not correspond to your CD-ROM drive, replace it by the corresponding letter). Click *OK* to start the installation, then follow the instructions that appear on your screen.

RUNNING THE PROGRAM

1 - Insert the CD-ROM in the drive.
2 - Click on *Start* in the window that appears. The game begins.

If no window appears (autorun may be deactivated), follow the procedure below:

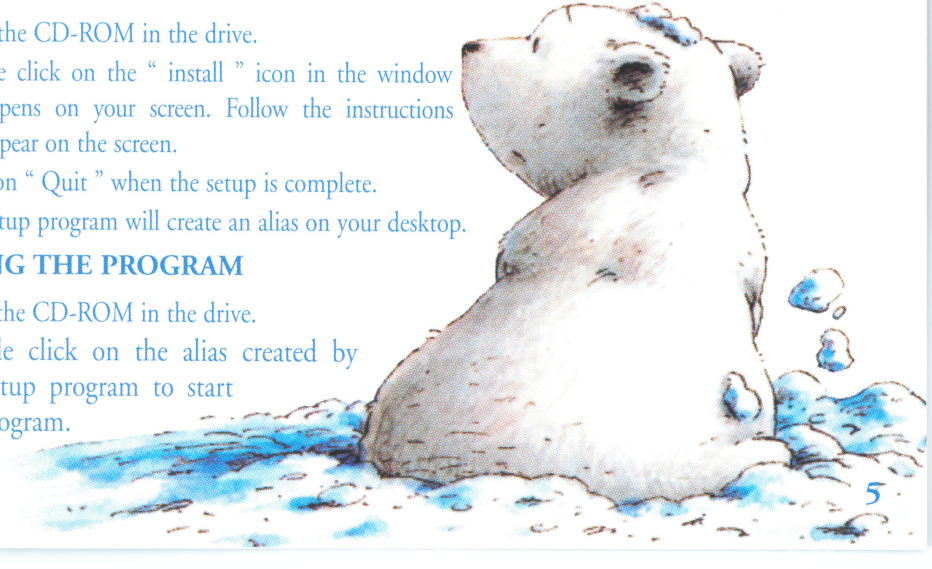
1 - Insert the CD-ROM in the drive.
2 - In the Windows® tool bar which is usually located at the bottom of the screen, click *Start* and then *Programs* in the menu that appears.
3 - Move your cursor to the group of *emme* programs (or the corresponding group of programs if you modified it when you installed it), then click on the short-cut that corresponds to the program.

MAC SETUP

1 - Insert the CD-ROM in the drive.
2 - Double click on the " install " icon in the window that opens on your screen. Follow the instructions that appear on the screen.
3 - Click on " Quit " when the setup is complete.
4 - The setup program will create an alias on your desktop.

RUNNING THE PROGRAM

1 - Insert the CD-ROM in the drive.
2 - Double click on the alias created by the setup program to start the program.



Minimum system requirements

PC

- Pentium™ 200 Mhz

- Monitor: 640x480, High Color (16 bit)
- 8x CD-ROM
- 16-bits Sound Blaster™ card or compatible

MACINTOSH

- iMac or G3
- 32 Mb RAM
- Systeme 7.5.3
- Monitor: 640x480, thousands of colors
- 8x CD-ROM

Using your CD

Welcome to the North Pole !
Before beginning your adventure, choose an animal friend who will save your game for you automatically.

To play a game you have already begun, click on the animal friend you chose. You'll pick up the game where you left off.

If you want to start a new game, select a new animal friend.

There are two ways to follow Lars's adventure.

- You can choose the book and hear about the wonderful story of Lars.
- Or, you can click on Lars himself and help Lars along in his adventure.

Using your CD

To leave the North Pole, just click on the door in the bottom right-hand corner.

Just click on an animal friend to start your adventure !

User Licence

By using the enclosed CD–ROM, you agree to be bound by the terms of this license. If you do not agree to these terms, please return the product in its original packaging to the retail outlet where you purchased it.

1. OBJECT

1. EMME grants the right to use the CD-ROM to the licensee, who agrees use it solely in a personal capacity. This right to use is non-exclusive and non-transferable under the terms and conditions specified by the present license.
2. This user's right is granted in exchange for payment of the CD-ROM supplied.

2. USING THE CD-ROM

1. The following rules apply to using the CD-ROM :
   - The CD-ROM must be used in compliance with its intended function, as described in the user's guide enclosed with the CD-ROM;
   - It must be used solely for the personal needs of the licensee and not for any business or profit-making activities that violate the special terms and conditions described under the heading " Special terms and conditions for using the CD-ROM ";
   - It must be used in compliance with the provisions of the present license and all of the regulations and instructions related to safety, use and proper functioning contained in this user's guide;
   - The CD-ROM must be handled with care.
2. Any use of the CD-ROM that is not authorized by this license or that violates the stipulations under intellectual property law is unlawful. The licensee shall therefore refrain from the following activities :
   - Using the CD-ROM via an electronic network or indirectly by means of computers connected to either a computer or storage devices which are authorized for installation of the CD-ROM;
   - Reproducing the CD-ROM in any form;
   - Presenting, distributing or marketing the CD-ROM in any form, either free of charge or in return for payment;
   - Making the CD-ROM or this guide available for use by a third party, either directly or indirectly by leasing, loan or transfer;
   - Using the CD-ROM and guide in any way for the purposes of designing, creating, distributing or retailing a similar, equivalent or substitute CD-ROM;
   - Adapting, modifying, transforming or rearranging the CD-ROM, especially with the intention of creating
   - Adapting, modifying, transforming or rearranging the CD-ROM, especially with the intention of creating new or related functionalities, or creating a new or related CD-ROM;
   - Transcribing the CD-ROM directly or indirectly, translating it into other languages, or modifying all or part of the CD-ROM to adapt it for use on hardware other than that described in this user's guide.

3. SPECIAL TERMS AND CONDITIONS FOR USING THE CD-ROM

If the CD-ROM is to be used for profit-making business purposes, the licensee is obliged to contact EMME and pursue only those activities which are specifically and expressly authorized by EMME. For all non-profit-making purposes (teaching, use by local administrative authorities etc.), only an on-site consultation is authorized.

4. WARRANTIES

1. EMME warrants that the CD-ROM complies with the specifications described in this guide and on the product packaging.
2. EMME does not warrant that the CD-ROM will meet the specific requirements of the licensee.
3. The CD-ROM is shipped so that it is " ready to run ". EMME provides the licensee with a guarantee that the CD-ROM carrier is free of any known defects, for a period of ninety (90) days from the date of purchase. This warrantee does not apply to any malfunctions arising from improper use of the CD-ROM. In no event shall EMME assume liability for more than the product purchase price.

5. PROPERTY RIGHTS

1. EMME holds the intellectual property rights for the CD-ROM and all of its contents, for which the licensee is granted a license.
2. The license in no way implies the transfer of EMME's intellectual property rights to the licensee: it simply makes the CD-ROM available for the licensee's use. The licensee is not entitled to any copyright ownership of the CD-ROM. The licensee is bound not to infringe any rights related to the CD-ROM, either directly, indirectly or by means of a third party.
3. The licensee shall refrain from making the CD-ROM commercially available, either free of charge or in return for payment. Communication of all or part of the CD-ROM and user's guide to third parties directly or indirectly by any other means is also unauthorized.
4. The licensee may not modify the CD-ROM, or remove or edit any references to copyright or property rights which may be included in this guide or other parts of the CD-ROM package.

6. LIABILITY

In no event shall EMME be held liable for use of the CD-ROM by the licensee

License

In purchasing this product, you acquire the right to use this software for personal purposes. All public use of this software (loan, rental, or other) is strictly forbidden. Copying the software for any use whatsoever is strictly forbidden. Legal action may be instituted against offenders.

Warranty Against Defects

A defective disk will be replaced free of charge up to 90 days after the purchase date. If a disk appears to be defective, contact our technical support department. Should a technical support representative ask you to mail back the disk, send it to the attention of the Technical Support Department. There is no need to enclose the original box or the user's manual. Proof of purchase must be presented in order for the 90-day warranty to be valid. If the disk or the support is damaged by the user or as a result of normal wear and tear, I.C.E. Division Multimédia Inc. will replace the damaged disk upon receipt provided it is accompanied by a cheque or money order for $10.00 (Canadian currency) to cover the replacement disk, postage, and handling.

THIS WARRANTY IS LIMITED AND IN NO WAY AFFECTS YOUR STATUTORY RIGHTS.
